

**LACOR MECHANICAL SYSTEMS, INC.**  
*Air Conditioning Ventilation Heating*

Lacor has been open providing essential service during the Corona Virus shut down. We are currently preparing and upgrading Air Conditioning systems to meet the Covid 19 requirements by performing the following work:

- **Sanitizing indoor coils and ductwork.**
- **Maximizing outdoor air intakes to all A/C systems.**
- **Install Ultraviolet lighting systems in existing systems.**

Any cooling coils scheduled for routine pressure washing will also be sanitized at no extra cost. Our sanitation chemical is registered on the EPA website to combat the Human Coronavirus. The name of the chemical is “Maquat 64 MN” from the Mason Chemical Company. EPA Registration # 10324-113.

If you should have any further questions, please do not hesitate to contact us. Thank you for the opportunity to be of service.

Very truly yours,  
**Lacor Mechanical Systems, Inc.**
